Jan. 27, 1959.

Dr. H. C. Burleigh, U. E.
Bath, Ont.

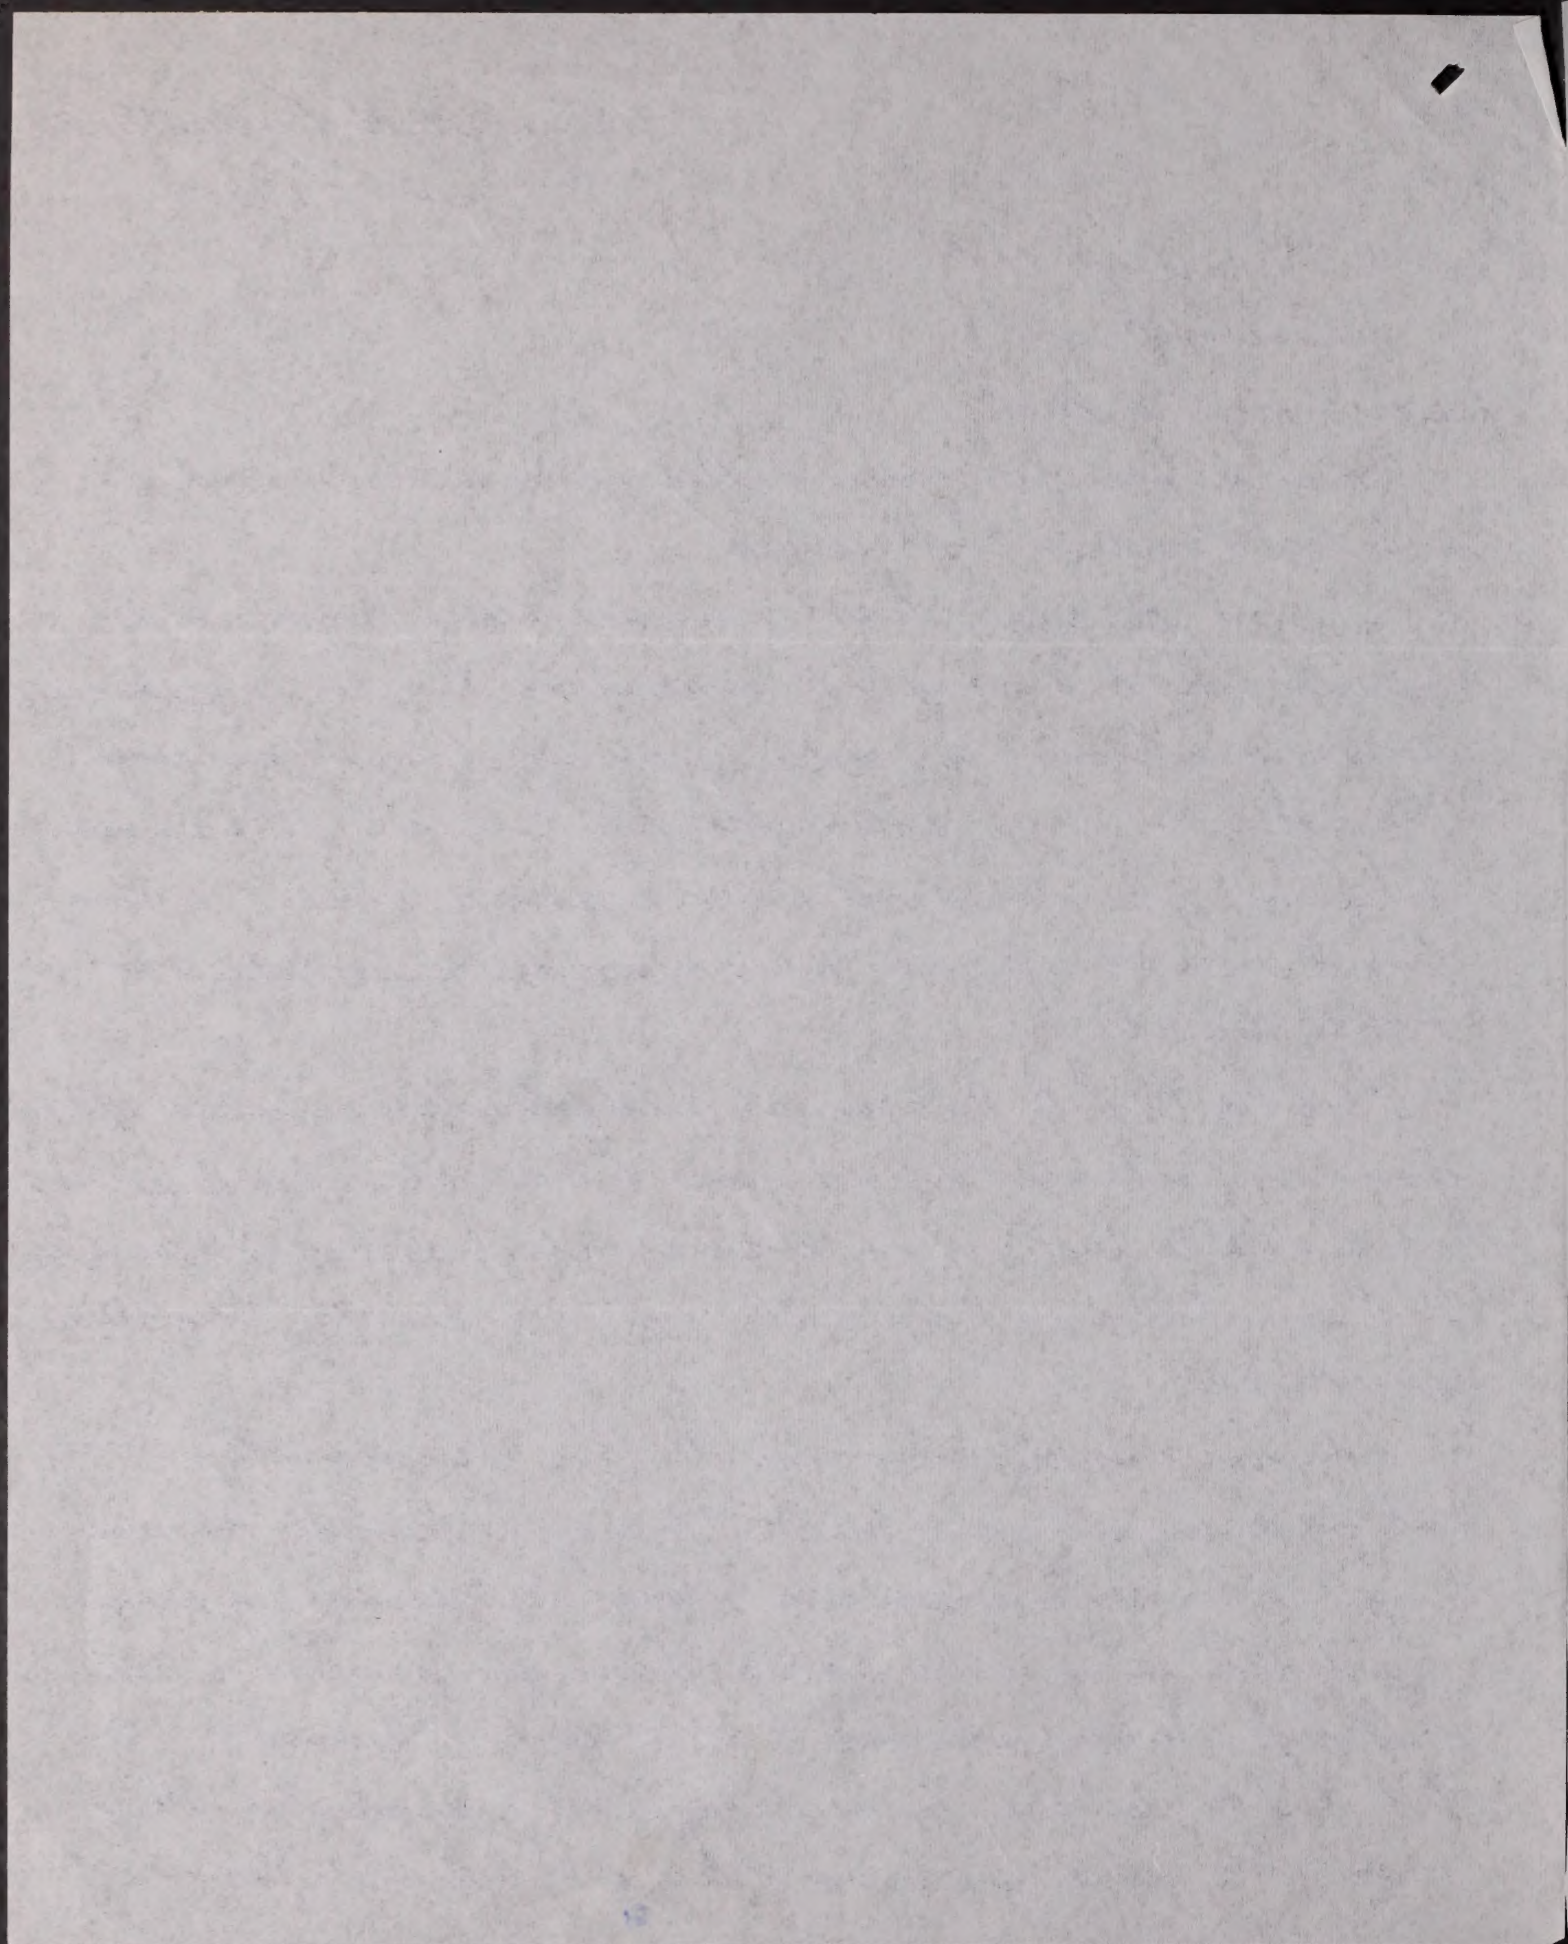

Dear Dr. Burleigh,

Thank you for your letter of Jan. 20th. and the information it contained.

I am pleased that you feel you can add Daniel Loyd to my U. E. ancestral line. I appreciate your caution in seeking proof. I am tracing back on my four family lines - Bernum, Bailey, Snider and McManus and a wrong link would make my records valueless from there back.

At the U. E. L. Picnic at Adolphustown July 1, 1957 you mentioned that you had intended sending me a letter but if it was sent I did not receive it. Perhaps this is the letter of 16 Mar. 1957 to which you refer.

In my application for U. E. L. Membership my Pedigree was traced back through George Henry Loyd. A correction would now be necessary since my direct line goes back through Daniel, a brother of George Henry, who also had a son Edward as we have been aware. According to my understanding Daniel's wife was Dorothy but I do not know

her maiden surname. In your reply to my letter of inquiry concerning her surname you wrote on Sept. 21, 1958. "I know of no way to determine the surname of Dorothy, wife of Daniel Lloyd. They were not married by Rev. John Langhorn, in whose parish Daniel lived, nor by Rev. John Stuart, of Kingston. These two clergymen were the only ones authorized to marry before 1798. Daniel & Dorothy may well have been married in U.S. I say this because there is no application by her for land as a loyalist, thus assuming that she was not of a loyalist family, and likely an American on the opposite side. Daniel was about 21 when the loyalists settled in this area, so he may already have his girl chosen before he became a soldier." I would like to get her surname and follow it back.

In your letter of Jan. 20., 1959 you mentioned Catherine as the wife of Daniel. No doubt my mistake in my original pedigree is confusing. It shows how careful we must be to get proof. As I understand it George Henry's wife was Catherine or Katerina Young. Ruth Lloyd of Point Anne will be glad to pursue her line as she traces back through George Henry.

I have tried many leads in endeavoring to get my Snyder line beyond Andrew.

I was very fortunate in getting his family records from his family Bible through Frederick G. Ketcheson of Richmond Hill. He also sent me a very quaint picture of Andrew, my Grt. Grandfather and his brother Richard with a twisted knee. Also one of Andrew and his second wife but no name is given. This fall I got in touch with Mrs. Andrew Snider of Maple Ont. whose picture was printed in the Family Herald in a feature article on The Pioneer Museum in York County about 20 miles north of Toronto. I had a reply to my letter and at Thanksgiving she and her husband Andrew Snider called on me. ^{her mother} She was also a Snyder before she was married, - Eva Maude Snyder born in Odessa and married to Ernest Andrew Sharpe. She was born on June 30, 1886. They are both buried at Morven Ont. The "Andrew" in this case was not from the Sniders however. Then I have a record of John Snider born 22 Apr. 1798 at Camden. His father was Martin Snider. John Snider & Jane Noble married 22nd Apr. 1828 and had 8 children born in Camden from 1828 to 1841. They moved to U.S.A. in 1849. I have a list of names, birth dates etc of this family.

I also have a Richard Snider listed in 1851 census record for Thurlow and aged 46 years, mar. to Lucretia and 6 children are listed. I have wondered if this

would be Andrew's brother Richard with the same knee. He was a Shoemaker and would be just 4 years older. So I know at least that Andrew was married twice and had a brother Richard. I am sure anxious to get his parents names.

Some time ago Mr. Young gave me an interesting History of the Snider Family and a number of families descended from Dr. Schneider (Snider) a surgeon in the Russian Guards who remained here after the War and was granted land as U. E. L. having taken oath of Allegiance.

I have a list of the Snider families in the Counties of Glengarry and Addington for 1851 Census - Townships of Lennox and - and of Ernestown including Odessa. I have not been able to link them up with my Snider line.

I am anxious also to get more on Miller and Caldwell families. There is just no end to Genealogical research. I like it immensely but need more time than I have at present to follow up all the lines as I desire to do. I realize you must find it difficult to get time to answer all our questions and keep us all straightened out. Again thank you for all the help you have given me.

Yours sincerely,
Myrtle B. Barnum.
